Subject: Forced Molting of Hens

Reference: 98N-1230, 96P-0418, 97P-0197

Dear Sir:

Forced molting of hens is not only cruel to the animals but is dangerous for consumers. It has been scientifically proven that the hen's immune system is destroyed predisposing them to salmonella poison

Please grant the April 1998 petition that would ban forced molting.

Sincerely,

Gertraud S. Elsley
